Vhi MultiTrip Travel Insurance

Vhi MultiTrip is Ireland's leading MultiTrip travel insurance. It provides cover for your holidays throughout the year and offers extensive benefits, including cover for accidents and medical emergencies abroad, lost luggage and unexpected trip cancellations.

Unlike many other travel insurers, if you are under 80 years of age, we automatically cover **pre-existing illnesses** once you've served the waiting periods on your private medical insurance plan. You'll also have access to our **emergency medical helpline** 24 hours a day, 365 days a year, no matter where you are in the world. So, when you need urgent help, you'll have peace of mind with Vhi MultiTrip.

Vhi MultiTrip tops up the cover you have on your private medical insurance plan - you are required to have a minimum of €65,000 overseas cover.

NEW Flight Delay Lounge Access

Vhi MultiTrip customers can enjoy complimentary access to over 650 airport lounges in 300+ countries if your flight is delayed for two hours or more from your departure time. This benefit is available exclusively for Vhi MultiTrip customers*. To find out more about this benefit visit Vhi.ie/Travel.
