

SEPA Direct Debit Mandate

What are the benefits?

With Vhi Healthcare's direct debit scheme, payments can be spread out through the year which means that there is no lump sum payment to creep up on you unexpectedly. This way you are always aware of what is coming out of your account and when.

Vhi Healthcare does **not** add a surcharge for this service – it's **free!**

You'll enjoy peace of mind knowing that your account is always up-to-date with no missing payments.

To sign up for a direct debit, simply complete, sign and return the mandate to:
