

# Chief Executive

VHI Healthcare is a not-for-profit, membership-based organisation that has played a unique role in the development of the Irish state. Total membership now stands at 1.57 million – the highest ever and still growing by 7,000 every month.

VHI Healthcare operates on a large scale with premium income exceeding €1 billion a year. Claims run at 555,000 cases per annum, involving payments of almost €4 million every working day.

There are many industry-wide challenges ahead including rising health costs, rapid growth of new private facilities, regulatory reform and changes to the corporate status of VHI Healthcare.

VHI Healthcare is now seeking a Chief Executive.

## Chief Executive

Reporting directly to the Board, you will be responsible for maintaining the pre-eminence of VHI Healthcare as the leading provider of health insurance in Ireland.

Possessing exceptional leadership qualities, both strategically and in terms of personnel, you have acute commercial instincts and direct experience of managing in a competitive environment. You possess strong people management and motivational skills, with the ability to innovate and respond creatively in a changing environment. You have a track record of business success at CEO or senior management level.

Drawing on excellent interpersonal skills, you are able to communicate with clarity, purpose and influence. You have the necessary gravitas, authority and presence to liaise with Government and the public service, and the presentation skills to deal successfully with national and local media.

In the short-term, a key role will be to manage VHI Healthcare's transition to regulation by the Financial Regulator, including any related change in ownership or corporate structure.

Candidates for this high-profile role will be identified through an advertising and a search process. The remuneration and benefits package is set to attract candidates of the highest calibre.
