Section 1. Consent form

The services provided in Vhi Medical Centres assess specific important aspects of your health. They are designed to help identify factors which may cause potential health issues for you in the future, with the aim of giving you and your GP the information necessary to address these and reduce your risk of future problems.

The tests we provide have been selected to cause as little discomfort or inconvenience as possible. Taking blood tests does involve some discomfort and may cause minor bruising. Occasionally this bruising may be more severe.

Please read the enclosed Information Pack carefully as it contains:

- A description of the tests included
- Medical inclusion/exclusion criteria as some of the tests are not available to everyone and are subject to medical suitability
- Instructions to help you prepare for your appointment

Informed Consent

Please do not sign in advance.

- I have read and understand the information provided about the service in the Information Pack.
- I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.
- I understand that the service is not designed to evaluate established illness and results relating to prior illness may be misleading.
- I understand that the tests performed are not suitable for assessing active medical problems.
- I accept that a copy of my report will be sent to my GP and if any serious issues are identified my GP may be contacted directly.
- I also accept that if there are any abnormal results I will be advised to attend my GP and/or Consultant for further management, and I will be responsible for acting on that advice.
- I accept that Vhi may also share my data with trusted third parties who process data on its behalf (e.g. laboratory, scanning services) inside and outside of the European Economic Area. Data may also be shared with state bodies as required by law.
- I understand that any follow-up treatment with my GP and/or Consultant is not part of the service, but I may be able to submit the receipt as part of an out-patient claim subject to the terms and conditions of my chosen insurance plan.
