Where the Injuries Board decides that the case is more appropriately dealt with by the court, due to some legal dispute and issues a letter of Authorisation, Vhi will rely on the undertaking that has been provided by your solicitor, in accordance with Rule 12b(ii) above, and a copy of the Authorisation from the Injuries Board to proceed to the courts.

e) Criminal Injuries Compensation Tribunal Claims

If you are pursuing a claim through the Criminal Injuries Compensation Tribunal, Vhi will pay benefit in accordance with these rules provided that you (or the subscriber/policyholder if you are under 18 years) complete in full and sign the injury section of the claim form and provide Vhi with a copy of the written confirmation from the Criminal Injuries Compensation Tribunal. The undertaking provided by you also authorises Vhi to seek details of any settlement directly from the Criminal Injuries Compensation Tribunal and for the Criminal Injuries Compensation Tribunal to release this information to us. In circumstances where such a case is unsuccessful, Vhi will not seek a refund of the benefit paid.

f) Threshold Amount

Undertakings and refunds will not be sought if the total eligible benefit payable in respect of an accident does not exceed the threshold amount of €1,000. However if subsequent claims are submitted in respect of the same incident, which would increase the total benefit payable to €1,000 or more, an undertaking must be completed.

g) Unsuccessful/Withdrawn Claims

If a claim against a third party is not successful or is withdrawn, Vhi will not seek a refund of the benefit paid provided that you arrange for full written details of the case to be supplied by your solicitor to the satisfaction of Vhi outlining the reasons why the case was unsuccessful or was discontinued.

h) Disclosure

It is the responsibility of a member to disclose to Vhi full details of any action to be pursued against a third party in relation to any incident/accident in respect of which Vhi has paid benefit. Failure to do so will result in the refusal of any subsequent claims relating to the incident/accident.
