

Hospital Plans Terms & Conditions (T&Cs) Changes Explained

In line with the Consumer Insurance Contracts Act (2019), the T&Cs changes applicable to your upcoming renewal are shown below. A benefit terms and conditions change only impacts you if the benefit is available on your plan, as outlined in your Table of Benefits.

1. Updated General T&Cs

General Conditions

We are amending the rule to confirm that out-patient procedures are not subject to the 180 day limit on your policy. The rule now reads as follows:

5, 1) General Conditions

We will pay benefits for In-patient and Day-patient treatment and Side Room Procedures for a maximum of 180 days per person in any calendar year, less any days treatment within the same calendar year which has been paid under any other health insurance contract (for benefit in respect of psychiatric treatment and addiction treatment, please refer to T&Cs 5(21) and 5(22)).

Payment to Doctors

We are amending the rule to advise that direct payment to doctors, including the deduction of withholding tax from benefits, applies to treatment carried out in the Republic of Ireland. The rule now reads as follows:

8, d) PAYMENTS TO DOCTORS

By law, We have to pay benefits for doctors' fees directly to the doctor (except for Day-to-day medical expenses benefit) for treatment carried out in the Republic of Ireland. We also have to deduct withholding tax from the benefits We pay. We will send You details of the benefits We pay to the doctor. If You pay the doctor directly, We must still pay the benefits to the doctor and You will then have to ask the doctor for a refund of any amounts You paid.

Waiting periods Exceptions:

We are amending the note around waiting periods to remove reference to Vhi SwiftCare Clinic which has been replaced with Vhi Clinical Services. This note now reads as:

2, c) The above Waiting Periods do not apply to Sports Injury Programmes, Employee Assistance Programmes or Vhi Clinical Services.

Day to Day Medical Expenses Waiting Periods:

We are removing the Day to Day Medical Expenses waiting period applicable to members aged 50+ years. Please refer to the Waiting Periods tables in your Terms and Conditions.

2. Updated Benefit T&Cs

Cancer Care Support

We are broadening the Cancer Care Support benefit to allow for accommodation and/or travel costs and including car parking. The rule now reads as follows:

5, 25) Cancer Care Support Benefit

We will pay the benefit listed in Section 5 of the Table of Benefits towards one night's accommodation (in a hotel, hostel or B&B) and/or travel costs (limited to public transport, taxi, hackney and petrol/diesel) of a Customer when a Customer travels more than 50km to receive Out-patient chemotherapy and/or Out-patient radiotherapy treatment. We will also pay the benefit listed in the Table of Benefits towards car parking costs. The treatment must take place in a hospital listed in the Directory of Hospitals (and Treatment Centres) covered by the Plan. Only claims accompanied by dated receipts on headed paper will be eligible for benefit.

Cosmetic treatment

We are amending the exclusion rule in relation to cosmetic treatment. The exclusion rule now reads as follows:

7, xix) (Exclusions) Cosmetic treatment, (including tests, investigations and consultations) and treatment of any complications arising from cosmetic treatment – unless it is needed (i) to restore Your appearance after an accident or (ii) because You were severely disfigured at birth.

Contraceptive Measures

We are amending the exclusion rule in relation to contraceptive measures. The exclusion rule now reads as follows:

7, vi) (Exclusions) Contraceptive measures or their reversal. (Unless specifically covered by Your Plan).

Dexa Scans

We are broadening the benefit in relation to Dexa Scans. Members are no longer required to meet specified clinical indications. The rule now reads as follows:

5, 17) Dexa Scans

We will pay the benefit listed in Your Table of Benefits subject to the following criteria:

- (i) You are referred for a Dexa Scan by a General Practitioner or Consultant; and*
- (ii) The Dexa Scan is carried out in one of Our approved Dexa Scan centres.*

For any other Dexa Scans, please refer to the x-rays & scans/radiology benefit under Section 9 of Your Table of Benefits.

Foetal Screening and Maternity Scans

We are removing “foetal anomaly scans” from the Foetal Screening benefit and amending the Maternity Scan benefit to allow members to claim for a maternity scan at any stage of pregnancy, to include a foetal anomaly scan. These two rules now read as follow:

5, 29) Foetal Screening

If included in Your Plan, We will pay benefit in accordance with the level of cover under Section 1 for chorionic villus sampling, amniocentesis and cordocentesis where there is a high risk of specified foetal abnormalities and where specific conditions outlined in the Schedule of Benefits for Professional Fees have been satisfied. If these conditions are not satisfied, We will pay the benefit listed in Your Table of Benefits (depending on Your Plan) towards the cost of these procedures. This benefit is also claimable for non-invasive prenatal (foetal DNA) testing. Treatment must be carried out by a General Practitioner, Consultant or Sonographer.

This benefit is payable in respect of the pregnant Customer availing of the service. (See also Rule 8e).

5, 63) Maternity Scan

If included in Your Plan, We will pay the benefit listed in Your Table of Benefits for a maternity scan at any stage of pregnancy, carried out by a General Practitioner, Consultant or Sonographer. This benefit is payable in respect of the pregnant Customer availing of the service. (See also Rule 8e).

HealthCheck Screen

The Lifestage Screening has been replaced by the HealthCheck Screen. The new definition reads as follows:

HealthCheck screen

A specified screening programme carried out in a Vhi Medical Centre, as listed in the Directory of Hospitals (and Treatment Centres).

The new rule reads as follows:

5, 47) Health Screening

We will pay the benefit listed in Your Table of Benefits towards the cost of either a HealthCheck screen in a Vhi Screening Clinic or an Executive Health Screening in the Blackrock Clinic or Mater Private Day Hospitals Dublin in a 24 month period provided We determine it to be medically appropriate. This 24 month period begins on the date that the screening tests are performed. Customers under the age of 18 years at their last renewal are not covered for screening.

Mammograms

We are broadening the benefit in relation to direct pay mammograms. Members are no longer required to meet specified clinical indications and will be covered for all mammograms (previously covered for screening only) in one of our approved Mammogram centres. The rule now reads as follows:

5, 18) Mammograms

We will pay the benefit listed in Your Table of Benefits subject to the following criteria:
(i) You are referred for a Mammogram by a General Practitioner or Consultant; and
(ii) The Mammogram is carried out in one of Our approved Mammogram centres.

For any other Mammograms, please refer to the x-rays & scans/radiology benefit under Section 9 of Your Table of Benefits.

Online Consultations

We are amending the exclusion rule to advise that online consultations provided through the Vhi Digital Health Services, via the Vhi app, are not excluded. The rule now reads as follows:

7, xxiii) Online Consultations with a practitioner (including a General Practitioner or Consultant) from any Medical Speciality, including any prescription drugs or treatment prescribed following an online Consultation, unless specifically included on Your Table of Benefits or if the consultation is provided through the Vhi Digital Health Services.

Planned / Elective Treatment Abroad

We are amending the benefit rule to advise on the calendar limits which apply in relation to planned elective treatment abroad. The rule now reads as follows:

C) Prior Approval for Treatment Abroad

6, 21) We will in certain circumstances provide benefit for Your Planned Elective Treatment Abroad during a temporary stay abroad as outlined in points (i) and (ii) below.
(i) For surgical treatment or a diagnostic procedure that is available in Ireland, we will pay benefit for medically necessary surgical procedures and diagnostic procedures that are currently listed in the Vhi Schedule of Benefits for Professional Fees, Surgery and Procedures Section. We will pay up to the average benefit that we would have paid in respect of the same surgical procedure in Ireland under your level of cover (including professional fees). We will pay up to the maximum limit outlined in your Table of Benefits, per calendar year, as applicable to Your Plan at the time of Your treatment.

(ii) For a therapeutic procedure that is not available in Ireland We will pay up to the maximum limit outlined in your Table of Benefits, per calendar year, as applicable to Your Plan at the time of Your treatment, unless a reasonable alternative therapeutic procedure is available here in which case the benefit will be as outlined in (i) above.

(iii) For medically necessary hospital admissions for follow-up assessments that are not available in Ireland, following a therapeutic procedure eligible for benefit in accordance with (ii), We will pay up to the maximum limit outlined in your Table of Benefits, per calendar year, as applicable to Your Plan at the time of Your treatment.

6, 22) If You wish to apply for benefit for Your planned elective treatment abroad, We require a fully completed Prior Approval Application form by Your Irish based referring Consultant.

Non-oncology CT Scans/CT Scans other than Oncology CT Scans

We are amending the rule for a non-oncology CT scan/CT scans other than Oncology CT scans to show, where applicable, the criteria for claiming for a Cardiac CT scan. The rule now reads as follows:

5, 72) CT Scans other than Oncology CT Scans

Benefit for CT Scans other than Oncology CT Scans is available to customers subject to the following criteria:

- The customer is referred for a CT scan by a GP or Consultant (Consultant only for Cardiac CT scans) and*
- The CT scan is carried out in a CT Centre covered by Your plan and as specified in the Directory of Out-patient Scan Centres.*
- The Cardiac CT scan is carried out for one of the clinical indications as specified by Us to all Consultants*

STI (Sexually Transmitted Infection) Screening

We are expanding the benefit to also allow STI screening performed by a nurse. The rule now reads as follows:

5, 68) STI (Sexually Transmitted Infection) Screening

If included in Your Plan, We will pay the benefit listed in Your Table of Benefits towards the cost of STI Screening carried out by a General Practitioner, Consultant or Nurse in their own rooms.

Vhi Digital Health Services
