This document sets out the Terms and Conditions (T&Cs) that apply to Your Plan and should be read in conjunction with the other documents that form part of Your policy with Us, Your Table of Benefits, the Directories, the Schedules and Your Policy Details. The words used in this document may have specific meanings and these are found in the Glossary.

When reading Your Table of Benefits, You should look at the benefits that are listed under Your Plan and this will tell You which benefits are included and the level of cover, if any, that applies.

This Policy document applies to each person insured on the Policy, and is available online at Vhi.ie

1. Contract

 - (iii) The Directories
 - (iv) The Schedules
 - (v) Your Policy Details and any amendment or variation made from time to time as per Rule 1(b).

- d) Certain procedure codes listed in the Schedules have clinical indications and/or conditions of payment and/or payment indicators attached to them. Benefit for these procedure codes is payable only when, in the opinion of Our Medical Director, the relevant clinical indications and/or conditions of payment and/or payment indicators have been satisfied in full.

Whether a Medical Condition is a Pre-existing condition will be determined by the opinion of Our Medical Director.

Whether a Medical Condition is a Pre-existing condition will be determined by the opinion of Our Medical Director.

- i) If the Policyholder (or authorised person – see Section 10) changes the Plan and any of the individuals included on the Policy receives treatment during the applicable Waiting Period for a Medical Condition which in the opinion of Our Medical Director they already had on the effective date on which the Plan was changed and if the benefit payable for the claim is higher on the new Plan, We will only pay the benefits which We would have paid if the Plan had not changed until the applicable waiting period has expired. Please note that a Pre-existing condition Waiting Period shall run concurrently with the Waiting Periods referenced in Section 2.

- c) Where a Policyholder has multiple products and the payment received does not equal the invoice issued for the combined premium, We will allocate the amount paid proportionately to each product based on the premium due.
- d) All payments received by Us are lodged to Our bank account for security reasons. All payments will be receipted. This does not imply that We accept said payment as fulfilment of Your contract, if the amount does not match the amount requested or the agreed portion of same. The payment may be returned, if there is no valid contract in place.

Charges/Refunds

- e) If a change to a Policy results in a premium refund or shortfall of less than or equal to €10, no refund or charge will be made due to the administration costs involved.

 - In the event that no claims have been paid, this will amount to the health insurance levy calculated on a pro-rata basis, together with an administration charge of fifty euro;
 - In the event that claims have been paid, this will amount to the total outstanding premium due to Us.

We will not provide a subsequent health insurance contract to You until the losses and expenses incurred have been settled (as set out above) or where no settlement has been made until after the original contract term has passed.

- iii) In the event that You make or try to make a dishonest application or claim which relates to Your Policy with Us or any other Health Insurance Contract, such action will constitute a breach of the Policy. We may also refuse to renew the Policy and/or refuse to pay any benefits under the Policy.

If a breach of the Policy occurs, the provisions of Rule 2(e) will not apply and any application for a new Health Insurance Contract will be deemed as a new application.

If You need to update or have not provided Us with specific details (phone, email address, bank account etc.) please contact Us at (056) 444 4444 or 1890 44 44 44 or log on to MyVhi to update your details.

b) DIRECT PAYMENT TO HOSPITAL

If We have a direct payment arrangement with a hospital, the hospital will send the claim form and invoices directly to Us. Hospital invoices must be in a format specified by Us. If they are not, We may be unable to calculate Your exact benefit for hospital charges in which case We will calculate the benefit due to the hospital as best We can from the information supplied, and We will pay this amount directly to the hospital.

We will send You details of the benefits We have paid. The Directory of Hospitals (and Treatment Centres) shows the hospitals with which We have a direct payment arrangement.

c) NON-DIRECT PAYMENT TO HOSPITAL

If We do not have a direct payment arrangement with the hospital, You must send Us a claim form completed and signed by You and Your doctor, together with the relevant invoices.

- Payment of that estimate will be a complete discharge of Our obligations to You.
- You must do this within six months of the date the treatment started.
- We will then pay the benefits for the hospital charges to You.
- You must use all the benefits We pay to You for the services for which You are claiming.

d) PAYMENTS TO DOCTORS

- The annual excess is the amount each customer must exceed before being entitled to any benefit. Please note that to assess Your claim, We use the eligible benefit amount for each treatment (not the charge amounts). Benefit above the annual excess is payable up to the maximum limits which apply to Your plan. The annual excess, maximum benefit limit and eligible benefit amounts are set out in Section 9 of Your Table of Benefits.

In addition to the above, should the Policyholder wish to submit receipts for more than one Customer, each Customer (or their parent/legal guardian) will be required to sign the Day-to-Day claim form to meet the requirements set out at Rule 8 (a) above and to authorise the payment and issuing of all correspondence associated with that Claim to the Policyholder at their specified bank account or by cheque where requested.
