Rules - Terms and Conditions

Applicable to new registrations or renewals on/or after 1st September 2009.

Please read and retain for future reference. Subsequent rules changes will be communicated to you at your renewal date.

Consumer Rights Statement

What rights do I have in relation to renewing my policy?

As a private health insurance customer, you have many rights. You have the right to start and renew cover regardless of your age, gender or health. All health insurers that are accepting business, are obliged to accept all applicants regardless of risk. Once you have health insurance, an insurer cannot stop cover or refuse to renew your insurance, except in limited circumstances.

Can I change my health insurance plan or insurer at any time?

You have the right to change your health insurance plan, or insurer, without penalty. The insurer may not impose additional waiting periods unless you are upgrading your cover. Even when you are upgrading your cover, an insurer may only impose an extra waiting period in respect to additional cover in the new policy. However, if you allow your health insurance to lapse for 13 weeks or more, you may have to start your waiting periods all over again.

What happens if I switch from my current insurer and wish to return to them at a later date?

If you switch insurer and later decide you want to switch back, you may do so without penalty as long as you switch to an equivalent level of cover. However, the insurer may impose waiting periods for any extra benefits available on your new plan.

Will my age affect my insurance premium?

Health insurers may not charge you a higher net premium because of your age or claims experience. This has the same effect that all insurers must charge all consumers, with certain exceptions, the same premium for a given level of cover regardless of their age, gender or health. A discounted premium is available for full time students up to 21. A discounted premium may also be available if you are in a group scheme.

Further information on your consumer rights is available on the internet at www.hia.ie or by ringing the Health Insurance Authority at 01 406 0080.

- b) In the Directory of Consultants, we list the consultants who are participating consultants.
- c) In the Schedule of Benefits for Private Hospital Services, we set out the benefits we will pay for private hospital services and the rules we will apply to the payment of these benefits.
- d) In the Schedule of Benefits for Professional Fees, we set out the benefits we will pay to the consultants and general practitioners for each kind of treatment and the rules we will apply to the payment of these benefits.
- e) In the Schedule of Benefits for General Practitioners, we set out the benefits we will pay to general practitioners for procedures and the rules we will apply to the payment of these benefits.
- f) In the Directory of Convalescent Homes, we list the convalescent homes which are eligible for benefit. The most up-to-date Directory of Convalescent Homes is available on our website - www.vhi.ie. Copies are available on request.
- g) We may change these directories and schedules during the year. The most up-to-date Directory of Hospitals is available on our website - www.vhi.ie. We will tell you about changes to the directories of hospitals at least four weeks beforehand by publishing a notice in the major national daily newspapers. If you want to cancel your contract because of any such change, you can do this by writing to us within four weeks of the date we publish notice of the change.

- h) We will pay any benefits we are required to pay under the Health Insurance Acts and any regulations thereunder, even if any part of your contract indicates otherwise.

3) Joining Vhi Healthcare

- a) Your spouse, partner or dependent children only can be included on your contract at any time. If you apply to include your child on your contract within 13 weeks of his/her birth, we will insure him/her from the date of birth and we will not apply Rules 3(c) & 3(f). Subscribers/policy holders who enrol their new born children within 13 weeks of the child's date of birth will not be charged any additional subscription for that child until the first or next renewal date after his/her birth.

- b) You can only make other changes to your contract at renewal date.

- c) If a member has an accident after he/she is included, we will pay benefits for the treatment needed. However, for other treatment, we will pay benefits if it is carried out after the member has been insured continuously for a minimum period of time, called a waiting period. The waiting period is as follows:

MEMBER'S AGE WHEN HE/SHE IS INCLUDED	WAITING PERIOD
Under 55	26 weeks
55 to 64	52 weeks
65 or over	104 weeks
Maternity or pregnancy - related conditions	52 weeks

- d) For those benefits listed in Sections 9 and 10 of your Table of Benefits that are subject to an excess, we will only pay the benefits for the expenses incurred after the following waiting period has expired:

MEMBER'S AGE WHEN HE/SHE IS INCLUDED	WAITING PERIOD
Under 50	None
50 - 54	26 weeks
55 to 64	52 weeks
65 or over	104 weeks
Maternity or pregnancy - related conditions	52 weeks

For those benefits listed in Section 10 of your Table of Benefits that are not subject to an excess, the waiting periods as outlined in Rule 3 (c) will apply.

- e) No benefits are payable for medical conditions the date of onset of which is determined on the basis of medical advice to have been prior to the date the member was included on the contract, unless the member has been insured continuously for a minimum period of time. The minimum period is as follows:

MEMBER'S AGE WHEN HE/SHE IS INCLUDED	MINIMUM PERIOD
Under 55	5 years
55 - 59	7 years
60 or over	10 years

This rule is applicable to all benefits other than those outlined in Section 9 of your Table of Benefits as well as those benefits in Section 10 that are subject to an excess.

When determining whether a medical condition pre-exists membership it is important to note that it is the date of onset of the condition that is considered rather than the date upon which the member becomes aware of the condition, as medical conditions may be present for some time before giving rise to symptoms or being diagnosed.

- f) If there is a break of more than 13 weeks in a person's health insurance contract with us or another insurer registered under the Health Insurance Acts, the application will be treated as a new application for membership.
- g) If a person transfers from a health insurance contract with another insurer registered in Ireland under the Health Insurance Acts, 1994 - 2003, benefits will only be payable up to the level of cover offered by that contract. Additional benefits will be subject to Rule 4(b).
- h) If a member has transferred from a health insurance contract with another insurer registered in Ireland under the Health Insurance Acts, 1994 - 2003, the time he/she was insured under the other contract will be offset against the normal joining conditions (waiting period, pre-existing illness and maternity). For additional benefits listed in Sections 9 and 10 of your Table of Benefits, please refer to Rule 4(c).
- i) The Scheme is intended for people resident in Ireland and only people resident in Ireland are eligible to join the Scheme. Please refer to Rule 7(b).
- j) You can cancel your health insurance contract within 14 days of the date of issue of the Terms and Conditions of Membership. We will refund the premium you have paid and will recover from you any benefit we have paid.

4) Renewing the contract

- a) Your contract will last for one year unless we agree to a shorter period. At the renewal date, you can renew your contract by paying the premium we request. The Rules and your Table of Benefits in place at the renewal date will then apply to your contract.
- b) You can change your level of cover at your renewal date. If you change your cover (i.e. subscribe for additional benefits) and you or any of the members included on the contract receive treatment during the following two years* for a medical condition which, in the opinion of our Medical Director, you already had on the renewal date on which you changed your level of cover, we will only pay the benefits which we would have paid if you had not changed your level of cover.

* Five years for those aged 65 years or over, or 52 weeks for maternity or pregnancy related conditions.

When determining whether a medical condition pre-exists an upgrade in cover it is important to note that it is the date of onset of the condition that is considered rather than the date upon which the member becomes aware of the condition, as medical conditions may be present for some time before giving rise to symptoms or being diagnosed.

- c) If you change your level of cover and subscribe for the additional benefits listed in Sections 9 or 10 of your Table of Benefits, a waiting period will apply to those benefits that are subject to an excess. We will only pay the benefits for the expenses incurred after the following waiting period has expired:

MEMBER'S AGE WHEN HE/SHE IS INCLUDED	WAITING PERIOD
Under 50	None
50 to 54	26 weeks
55 to 64	52 weeks
65 or over	104 weeks

- d) If you change your plan or level of cover, additional benefits will be subject to Rule 4(b). If you change your plan or level of cover and wish to revert to your previous plan or level of cover, you may do so within 14 days of the date of issue of the amendment notification and we will pay the benefits which we would have paid if you had not changed your plan.

5) Subscriptions

- a) You must pay your subscription within 15 days after it becomes due. Otherwise, we will not pay any benefits and will cancel your contract. The subscriber/policy holder is responsible for ensuring payments are made.
- b) For members who pay by salary deduction, the translation of annual premia into monthly or weekly instalments may result in the collection of marginally more or less than the annual premium as a result of rounding to the nearest cent.
- c) Subscribers/policy holders with dependants who are students may apply for a discount on their annual subscription. The student subscription rate will apply from the date of application for new members, and from the next renewal date (following application for the student rate) for existing members. The student rate will automatically revert to the adult rate with effect from the next renewal after the student's 21st birthday.

If the treatment is not covered by your plan or is carried out in a hospital which is not covered by your plan, benefit for consultant or general practitioner fees will not be payable. However, professional fee benefit as set out in the Schedule of Benefits for Professional Fees is payable for out-patient procedures with the exception of out-patient radiotherapy.

- e) The benefits which we will pay will depend on the terms of your contract on:
- f) (i) the first day of a hospital stay or (ii) the date of the treatment if the member is not staying in hospital.
- g) If the benefits do not cover the full cost of the treatment, the member is responsible for any balance.
- h) We will pay the actual amount the member is charged or the benefits payable under the contract, whichever is lower.
- i) If you use hospital accommodation which requires a higher level of cover than you hold under your plan, the level of benefits payable will be as outlined in your Table of Benefits.
- Where a hospital is not listed in the Directory of Hospitals (and Treatment Centres), no benefit will be payable.
- i) **Day care procedures** Hospital benefit is payable for specified day care procedures carried out in a Vhi Healthcare approved day care facility listed in the Directory of Hospitals (and Treatment Centres) and which is covered by your plan. No benefit is payable for Out-patient Radiotherapy carried out in a hospital, which is not covered by your plan.
- l) **Fixed Price Procedures (FPPs)** We will provide the benefit set out in Section 1 of your Table of Benefits for Fixed Price Procedures. Under Company Plan, no benefit is payable for non-Cardiac Fixed Price Procedures even if: a) it is a result of an emergency; or b) ongoing care during a planned admission results in charges for an unplanned FPP; or c) charges arising for complications directly as a result of a cardiac FPP during subsequent hospital stays; or d) the admission is subsequent to a previous non-FPP admission for which benefit was paid. It is important to note that these procedures are available in hospitals other than the Beacon Hospital, Blackrock Clinic, Mater Private Hospital and Galway Clinic. However, when they are carried out in other hospitals they are not called Fixed Price Procedures and in these circumstances benefit is payable in accordance with the benefits associated with your level of cover for these hospitals, as set out in your Table of Benefits, and not as a Fixed Price Procedure.

If you are in any doubt about the level of cover payable in respect of any procedure or treatment, we recommend that you contact us prior to admission.

If they are not, we may be unable to calculate your exact benefit for hospital charges in which case we will calculate the benefit due to the hospital as best we can from the information supplied, and we will pay this amount direct to the hospital. We will send you details of the benefits we have paid. The Directory of Hospitals (and Treatment Centres) shows the hospitals with which we have a direct payment arrangement.
- c) If we do not have a direct payment arrangement with the hospital, you must send us a claim form completed and signed by the member and the member's doctor, together with the relevant invoices.

 - For those benefits listed in Section 10 of your Table of Benefits which are not subject to an excess, you must send us a claim form completed and signed by the member together with the relevant receipts. - f) If you or another member are entitled to claim under any other insurance policy for all or any of the costs, charges or fees for which you are insured under this contract, our liability shall apply as excess of, and not as contributory with such other insurance. When making a claim you must tell us if you have other insurance.

- g) If the renewal period is less than one year, the limits and excess applied to some benefits during this period are proportionally reduced.

10) Disputes

- a) If there is a dispute about whether we should pay all or part of a claim or you have any other complaints, you may refer the dispute to the Financial Services Ombudsman's Bureau, 3rd Floor, Lincoln House, Lincoln Place, Dublin 2 (Tel: (01) 6620899) to decide on the matter. 12) Third Party Claims

- a) As outlined in Rule 8(s) expenses which are recoverable from a third party, are excluded from benefit, however:

b) Legal Action/Proceedings

Where a claim is submitted to Vhi Healthcare in respect of treatment required as a result of an injury caused through the fault of another person and where you propose to pursue a legal claim against that party, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years):

- notify Vhi Healthcare in writing if it is proposed that the case will be settled and
- provide Vhi Healthcare with full written details of any settlement.

c) No Legal Action/Proceedings

Where a claim is submitted to Vhi Healthcare in respect of treatment you require as a result of an injury caused through the fault of another person, and you do not propose to pursue a claim against the third party and, in the view of our legal advisers, expenses are recoverable from that party, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years):

- complete in full and sign the injury section of the claim form which includes an undertaking to include all benefit paid by Vhi Healthcare in any claim which may subsequently be made against the third party responsible for causing the injury and

d) Personal Injuries Assessment Board

Where you make your application to the Personal Injuries Assessment Board ("PIAB"), Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years) complete in full and sign the injury section of the claim form. This undertaking provided by you also authorises Vhi Healthcare to provide the PIAB with details of all monies paid by Vhi Healthcare relating to your application, and for the PIAB to release to Vhi Healthcare details of the PIAB assessment in relation to the monies paid by Vhi Healthcare. Where the PIAB decides that the case is more appropriately dealt with by the court, due to some legal dispute and issues a letter of Authorisation, Vhi Healthcare will rely on the undertaking that has been provided by your solicitor, in accordance with Rule 12b(ii) above, and a copy of the Authorisation from PIAB to proceed to the courts.

e) Criminal Injuries Compensation Tribunal Claims

If you are pursuing a claim through the Criminal Injuries Compensation Tribunal, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years) complete in full and sign the injury section of the claim form and provide Vhi Healthcare with a copy of the written confirmation from the Criminal Injuries Compensation Tribunal. The undertaking provided by you also authorises Vhi Healthcare to seek details of any settlement directly from the Criminal Injuries Compensation Tribunal and for the Criminal Injuries Compensation Tribunal to release this information to us. In circumstances where such a case is unsuccessful, Vhi Healthcare will not seek a refund of the benefit paid.

f) Threshold Amount

Undertakings and refunds will not be sought if the total eligible benefit payable in respect of an accident does not exceed the threshold amount of €1,000. However if subsequent claims are submitted in respect of the same incident, which would increase the total benefit payable to €1,000 or more, an undertaking must be completed.

g) Unsuccessful/Withdrawn Claims

If a claim against a third party is not successful or is withdrawn, Vhi Healthcare will not seek a refund of the benefit paid provided that you arrange for full written details of the case to be supplied by your solicitor to the satisfaction of Vhi Healthcare outlining the reasons why the case was unsuccessful or was discontinued.

h) Disclosure

It is the responsibility of a member to disclose to Vhi Healthcare full details of any action to be pursued against a third party in relation to any incident/accident in respect of which Vhi Healthcare has paid benefit. Failure to do so will result in the refusal of any subsequent claims relating to the accident/incident.
