2) Contract

a) The terms of your contract with us are in the following documents:

(i) These Rules and Table of Benefits; (ii) The Directory of Hospitals (and Treatment Centres); (iii) The Directory of Approved MRI Centres; (iv) The Directory of Convalescent Homes; (v) The Schedule of Benefits for Private Hospital Services; (vi) The Directory of Consultants; (vii) The Schedule of Benefits for Professional Fees; (viii) The Schedule of Benefits for General Practitioners, and any amendment or variation made from time to time as per rule 2(g).

b) In the Directory of Consultants, we list the consultants who are participating consultants.

c) In the Schedule of Benefits for Private Hospital Services, we set out the benefits we will pay for private hospital services and the rules we will apply to the payment of these benefits. Copies are available for inspection by members on Vhi Healthcare premises.

d) In the Schedule of Benefits for Professional Fees, we set out the benefits we will pay to the consultants and general practitioners for each kind of treatment and the rules we will apply to the payment of these benefits. Copies are available for inspection by members on Vhi Healthcare premises.

e) In the Schedule of Benefits for General Practitioners, we set out the benefits we will pay to general practitioners for procedures and the rules we will apply to the payment of these benefits.

f) In the Directory of Convalescent Homes, we list the convalescent homes which are eligible for benefit. The most up-to-date Directory of Convalescent Homes is available on our website - www.vhi.ie. Copies are available on request.

g) We may change these directories and schedules during the year. The most up-to-date Directory of Hospitals is available on our website - www.vhi.ie. We will tell you about changes to the Directory of Hospitals (and Treatment Centres) at least four weeks beforehand by publishing a notice in the major national daily newspapers. If you want to cancel your contract because of any such change, you can do this by writing to us within four weeks of the date we publish notice of the change.

h) We will pay any benefits we are required to pay under the Health Insurance Acts and any regulations thereunder, even if any part of your contract indicates otherwise.
3) Joining Vhi Healthcare

a) Additional people may be included on your contract at any time. If you apply to include your child on your contract within 13 weeks of his/her birth, we will insure him/her from the date of birth and we will not apply rules 3(c) and 3(d). Subscribers/policy holders who enrol their new born children within 13 weeks of the child’s date of birth will not be charged any additional subscription for that child until the first or next renewal date after his/her birth.

b) You can only make other changes to your contract at renewal date.

c) If a member has an accident after he/she is included, we will pay benefits for the treatment needed. However, for other treatment, we will pay benefits if it is carried out after the member has been insured continuously for a minimum period of time, called a waiting period. The waiting period is as follows:

<table>
<thead>
<tr>
<th>MEMBER’S AGE WHEN HE/SHE IS INCLUDED</th>
<th>WAITING PERIOD</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under 55</td>
<td>26 weeks</td>
</tr>
<tr>
<td>55 to 64</td>
<td>52 weeks</td>
</tr>
<tr>
<td>65 or over</td>
<td>104 weeks</td>
</tr>
<tr>
<td>Maternity or pregnancy - related conditions</td>
<td>52 weeks</td>
</tr>
</tbody>
</table>

d) No benefits are payable for medical conditions the date of onset of which is determined on the basis of medical advice to have been prior to the date the member was included on the contract, unless the member has been insured continuously for a minimum period of time. The minimum period is as follows:

<table>
<thead>
<tr>
<th>MEMBER’S AGE WHEN HE/SHE IS INCLUDED</th>
<th>MINIMUM PERIOD</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under 55</td>
<td>5 years</td>
</tr>
<tr>
<td>55 - 59</td>
<td>7 years</td>
</tr>
<tr>
<td>60 or over</td>
<td>10 years</td>
</tr>
</tbody>
</table>

When determining whether a medical condition pre-exists membership it is important to note that it is the date of onset of the condition that is considered rather than the date upon which the member becomes aware of the condition, as medical conditions may be present for some time before giving rise to symptoms or being diagnosed.

e) If there is a break of more than 13 weeks in a person’s health insurance contract with us or another insurer registered under the Health Insurance Acts, the application will be treated as a new application for membership.

f) If a person transfers from a health insurance contract with another insurer registered in Ireland under the Health Insurance Acts, 1994 to 2003, benefits will only be payable up to the level of cover offered by that contract. Additional benefits will be subject to rule 4(b).

g) If a member has transferred from a health insurance contract with another insurer registered in Ireland under the Health Insurance Acts, 1994 to 2003, the time he/she was insured under the other contract will be offset against the normal joining conditions (waiting period, pre-existing illness and maternity).

h) The Scheme is intended for people resident in Ireland and only people resident in Ireland are eligible to join the Scheme. Please refer to Rule 7(b).

4) Renewing the contract

a) Your contract will last for one year unless we agree to a shorter period. At the renewal date, you can renew your contract by paying the premium we request. The Rules and the Table of Benefits in place at the renewal date will then apply to your contract.

b) You can change your level of cover at your renewal date. If you change your cover (i.e. subscribe for additional benefits) and you or any of the members included on the contract receive treatment during the following two years* for a medical condition which, in the opinion of our Medical Director, you already had on the renewal date on which you changed your plan, we will only pay the benefits which we would have paid if you had not changed your plan.

* Five years for those aged 65 years or over, or 52 weeks for maternity or pregnancy related conditions.

When determining whether a medical condition pre-exists an upgrade in cover it is important to note that it is the date of onset of the condition that is considered rather than the date upon which the member becomes aware of the condition, as medical conditions may be present for some time before giving rise to symptoms or being diagnosed.
5) Subscriptions

a) You must pay your subscription within 15 days after it becomes due. Otherwise, we will not pay any benefits and will cancel your contract. The subscriber/policy holder is responsible for ensuring payments are made.

b) For members who pay by salary deduction, the translation of annual premia into monthly or weekly installments may result in the collection of marginally more or less than the annual premium as a result of rounding to the nearest cent.

c) Subscribers/policy holders to Plans A to E and Plans A to C Option with dependants who are students (as defined) may apply for a discount on their annual subscription. The student subscription rate will apply from the date of application for new members, and from the next renewal date (following application for the student rate), for existing members. The student rate will automatically revert to the adult rate with effect from the next renewal date after the student’s 21st birthday.

Treatment or tests given by a practitioner to his/her wife/husband, children or parents.

Expenses for which the member is not liable.
s) Expenses which you are entitled to recover from a third party.
t) Cosmetic treatment - unless it is needed (i) to restore the member’s appearance after an accident or (ii) because the member was severely disfigured at birth.
u) Ophthalmic procedures for correction of short-sightedness, long-sightedness or astigmatism.

9) Claims

In-patient treatment, day care, side room and out-patient procedures

a) We will only pay benefits when we receive a claim form completed and signed by the member and the member’s doctor, and the original invoices or receipts.
   • You sign the claim form a) to confirm that the details on the form are correct and b) to authorise the doctors/hospitals to supply the information requested, including copies of your medical records, if requested.

b) If we have a direct payment arrangement with a non-participating hospital, the hospital will send the claim form and invoices direct to us. Hospital invoices must be in a format specified by us. If they are not, we may be unable to calculate your exact benefit for hospital charges in which case we will calculate the benefit due to the hospital as best we can from the information supplied, and we will pay this amount direct to the hospital and doctors. We will send you details of the benefits we have paid. The Directory of Hospitals shows the hospitals with which we have a direct payment arrangement.

c) If we do not have a direct payment arrangement with the hospital, you must send us a claim form completed and signed by the member and the member’s doctor, together with the relevant invoices.
   • Hospital invoices must be in a format specified by us. If they are not, we may be unable to calculate your exact benefit for hospital charges in which case we will calculate the benefit due to you as best we can from the information supplied, and we will pay this amount.
   • Payment of that estimate will be a complete discharge of our obligations to you.
   • You must do this within six months of the date the treatment started.
   • We will then pay the benefits for the hospital charges to you.
   • You must use all the benefits we pay to you for the services for which you are claiming.

d) By law, we have to pay benefits for doctors’ fees direct to the doctor (except for out-patient benefit). We also have to deduct withholding tax from the benefits we pay. We will send you details of the benefits we pay to the doctor. If you pay the doctor direct, we must still pay the benefits to the doctor and you will then have to ask the doctor for a refund of any amounts you paid.

e) Out-patient cover
   We will pay benefits for eligible expenses listed in Section 6 of the Table of Benefits as a lump sum at the end of each year. We will only pay the benefits when you send us a claim form which you have completed and signed, together with receipts. You must do this within three months of the end of the year.
   • Please note that receipts will not be returned following assessment of your claim. Therefore, you may wish to retain copies prior to submission.

f) If you or another member are entitled to claim under any other insurance policy for any of the costs, charges or fees for which you are insured under this contract, we will pay only our rateable proportion of these costs. When making a claim you must tell us if you have other insurance.

10) Disputes

a) If there is a dispute about whether we should pay all or part of a claim or you have any other complaints, you may refer the dispute to the Financial Services Ombudsman’s Bureau, 3rd Floor, Lincoln House, Lincoln Place, Dublin 2 (Tel: (01) 6620899) to decide on the matter. The decision of the Financial Services Ombudsman is binding on all the parties, but where one party is dissatisfied with the decision it may be appealed to the High Court.

b) If you do not wish to avail of the procedure outlined in rule 10(a) you may refer your dispute directly to the Courts.
11) General

a) When you deal with us, you are acting for all the members who are included on your contract.

b) We will send any letters and notices about your contract, by ordinary post, to the address which you give us. So, you must tell us if you change your address.

c) The member must notify Vhi Healthcare immediately of any change to their policy or circumstances which could alter the assumptions on which the contract is based or which are material to same.

d) If any member makes, or tries to make, a dishonest application or claim we have the right to: (i) refuse to renew his/her membership; or (ii) cancel his/her membership immediately. We also have the right to refuse to pay any benefits for the member.

e) If you ask us to remove a member from your contract, we have the right to tell the member that he/she is no longer covered.

f) To pay your benefits, we may have to provide some of your membership details to the hospital, on a strictly confidential basis. We may also have to obtain copies of your medical records from the hospital/doctor concerned and this information will be treated in strict confidence.

g) If you use Assist, we have to provide some of your membership details to an international assistance company, also on a strictly confidential basis. The assistance company will in turn give us details of the member’s illness or injury. This information will be held on the assistance company’s computer. It will only be used to provide Assist services and benefits.

h) We will pay all your benefits in euro.

i) Your contract is governed by the laws of Ireland.

j) In accordance with the Health (Provision of Information) Act, 1997, Vhi Healthcare provides government agencies responsible for national health screening programmes with the name and address of members of a requested demographic. No other information about our members is released. Vhi Healthcare also fully complies with the requirements of all Data Protection legislation.

12) Third Party Claims

a) As outlined in Rule 8(s) expenses which are recoverable from a third party, are excluded from benefit, however:

b) Legal Action/Proceedings

Where a claim is submitted to Vhi Healthcare in respect of treatment required as a result of an injury caused through the fault of another person and where you propose to pursue a legal claim against that party, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years):

(i) complete in full and sign the injury section of the claim form which includes an undertaking to include all benefit paid by Vhi Healthcare in any claim against the third party responsible for causing the injury and

(ii) submit a fully completed undertaking, which will be relied on by Vhi Healthcare once a copy of the Authorisation Form is received from the Personal Injuries Assessment Board, refer to rule 12(d) from your solicitor in the form prescribed by Vhi Healthcare:-

“In consideration of Vhi discharging the eligible hospital and medical expenses of my/our client, I/we hereby undertake to include as part of my/our client’s claim the monies so paid by Vhi (details of which will be supplied to us by Vhi) and subject to any court order to the contrary, to repay to Vhi – out of the proceeds that come into our hands – all such monies paid by Vhi”

(iii) notify Vhi Healthcare in writing if it is proposed that the case will be settled and

(iv) provide Vhi Healthcare with full written details of any settlement.

c) No Legal Action/Proceedings

Where a claim is submitted to Vhi Healthcare in respect of treatment you require as a result of an injury caused through the fault of another person, and you do not propose to pursue a claim against the third party and, in the view of our legal advisers, expenses are recoverable from that party, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years):

(i) complete in full and sign the injury section of the claim form which includes an undertaking to include all benefit paid by Vhi Healthcare in any claim which may subsequently be made against the third party responsible for causing the injury and

(ii) immediately notify Vhi Healthcare in writing of the instigation of any such claim and to repay the benefit paid by Vhi Healthcare in full, subject to any court order to the contrary.
d) Personal Injuries Assessment Board
Where you make your application to the Personal Injuries Assessment Board ("PIAB"), Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years) complete in full and sign the injury section of the claim form. This undertaking provided by you also authorises Vhi Healthcare to provide the PIAB with details of all monies paid by Vhi Healthcare relating to your application, and for the PIAB to release to Vhi Healthcare details of the PIAB assessment in relation to the monies paid by Vhi Healthcare. Where the PIAB decides that the case is more appropriately dealt with by the court, due to some legal dispute and issues a letter of Authorisation, Vhi Healthcare will rely on the undertaking that has been provided by your solicitor, in accordance with 12b(ii) above, and a copy of the Authorisation from PIAB to proceed to the courts.

e) Criminal Injuries Compensation Tribunal Claims
If you are pursuing a claim through the Criminal Injuries Compensation Tribunal, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years) complete in full and sign the injury section of the claim form and provide Vhi Healthcare with a copy of the written confirmation from the Criminal Injuries Compensation Tribunal. The undertaking provided by you also authorises Vhi Healthcare to seek details of any settlement directly from the Criminal Injuries Compensation Tribunal and for the Criminal Injuries Compensation Tribunal to release this information to us. In circumstances where such a case is unsuccessful, Vhi Healthcare will not seek a refund of the benefit paid.

f) Threshold Amount
Undertakings and refunds will not be sought if the total eligible benefit payable in respect of an accident does not exceed the threshold amount of €1,000. However if subsequent claims are submitted in respect of the same incident, which would increase the total benefit payable to €1,000 or more, an undertaking must be completed.

g) Unsuccessful/Withdrawn Claims
If a claim against a third party is not successful or is withdrawn, Vhi Healthcare will not seek a refund of the benefit paid provided that you arrange for full written details of the case to be supplied by your solicitor to the satisfaction of Vhi Healthcare outlining the reasons why the case was unsuccessful or was discontinued.

h) Disclosure
It is the responsibility of a member to disclose to Vhi Healthcare full details of any action to be pursued against a third party in relation to any incident/accident in respect of which Vhi Healthcare has paid benefit. Failure to do so will result in the refusal of any subsequent claims relating to the accident/incident.

For in-patient treatment, Day Care Procedures and Side Room Procedures specified in the Vhi Healthcare Schedule of Benefits for Professional Fees, we will pay the charge in full if the consultant is a participating consultant. If the consultant is non-participating, we will pay the standard benefit as set out in the Schedule of Benefits for Professional Fees and you may have to pay an additional amount to the consultant yourself. The standard benefit is lower than the benefit we will pay to a participating consultant. If you contact us, we will tell you whether or not a consultant is a participating consultant. If the hospital is not covered by your Plan, benefit will not be payable for the consultants’ fees.

For Out-patient Procedures, we will pay the benefits specified in the Schedule of Benefits for Professional Fees in accordance with Rule 6(b), even if the hospital is listed in the Directory of Hospitals (and Treatment Centres) and is not covered by your plan. No professional fee is payable for Out-patient Radiotherapy if the hospital is not covered by your plan.

The same benefits apply to treatment carried out by a general practitioner which is listed in the Schedule of Benefits for General Practitioners. For subscribers/policy holders and their dependants subscribing to Plan E professional fees will be paid at the higher participating rates.

In-patient MRI scans

If the patient, during the course of a medically necessary stay in a participating hospital listed in the Directory of Hospitals (and Treatment Centres) which is covered by your plan and for which hospital benefit is payable, has an eligible MRI scan performed in an approved MRI centre listed in the Directory of Approved MRI Centres and which is covered by your plan, we will provide benefit for the MRI charges, in accordance with the level of cover under the patient’s plan in the admitting hospital. We will provide full cover for the consultant’s fee if he/she is participating.

Out-patient MRI scans

- We will provide full cover for MRI charges for all plans if the patient attends an Approved MRI Centre listed as ‘Out-patient MRI Scans - Category 1’ in the Directory of Approved MRI Centres. • If the patient attends an Approved MRI Centre that is listed in the Directory of Approved MRI Centres as ‘Out-patient MRI Scans - Category 2’, the hospital charges and the consultant’s fee (if applicable) for all plans, can be included as part of an out-patient benefit claim under Section 6. The appropriate out-patient excess will apply. The consultant’s fee is subject to a maximum of the participating benefit listed in the Vhi Healthcare Schedule of Benefits for Professional Fees. • If the patient attends an Approved MRI facility that is listed in the Directory of Approved MRI Centres as ‘Out-patient MRI Scans - Category 3’, no benefit is payable for either the hospital charge or the consultant’s fee for all plans.

Out-patient CT scans

- If the patient attends the Advanced Radiology Centre for out-patient CT scans (with GP or Consultant referral) payments will be made directly to the centre and will not be subject to an excess.
