

Vhi Premium Waiver January 2021

Terms and Conditions

1. All customers on Vhi private medical insurance products who hold an active policy on 23/1/2021 (excluding Healthsteps and Plan P) will benefit from a waiver of a portion of premium.
2. The value of the waiver is €75 per adult and €25 per child insured.
3. Customers on a young adult rate will be eligible for the adult waived amount.
4. Children who are covered for free will not be eligible for the child waived amount.
5. New customers must have passed their cooling off period before the waived amount can be issued.
6. If a customer pays more than 25% of the premium per insured member and their employer pays the balance, the customer will receive the waived amount not their employer.
7. If an employer pays 75% or more of a premium, the employer will receive the waived amount for the insured member.
8. For customers with bank account details on file, the waived amount will be paid to the bank account we have on file.
9. Where we do not have bank details for a customer, a cheque will be issued. Cheques will not be reissued, therefore where a request for the reissue of a cheque is made, the waived amount will only be issued to a bank account.
